India to Host the World's Largest PVC Summit & Exhibition – 13th VINYL INDIA 2026
A New Chapter of Growth, Innovation & Strategic Business Acceleration for the Global Vinyl Value Chain

08-Dec-2025

ElitePlus⁺⁺ Business Services is delighted to share the upcoming **13th Vinyl India – International PVC & Chlor-Alkali Summit & Exhibition**, scheduled for **9 – 10 April 2026 in Mumbai**, and expected to host **over 1,350 Global delegates representing 600+ organizations**.

Building upon the overwhelming response to the **12th Vinyl India 2025**—which welcomed **1,250+ delegates, 540+ organizations, 80+ speakers, and participation from 25 countries**—the 2026 edition arrives at a defining moment for the Global Vinyl Value Chain.

2026: Opening a Whole New Chapter for the Global Vinyl Industry

Unlike any previous period the industry has seen, the year **2026 opens a whole new chapter** as the Global economy emerges from the turbulence and uncertainty of 2025.

Despite the challenges the World witnessed in 2025, the year ahead presents **powerful new growth catalysts**, including:

- **The rise of New Energy sectors**
- **A massive boom in infrastructure** across both urban & rural India
- A strong **overall economic growth environment**, creating an ocean of opportunities for the Vinyl Industry

With India's GDP expected to remain **above 8.5%**, this signifies a transformative window for PVC processors, converters, resin suppliers, pipe manufacturers, compounders and downstream players to **expand, scale and strengthen their market position**.

Over the two days of the 13th Vinyl India 2026 Summit & Exhibition, delegates will have the opportunity to interact with:

- **Energy experts**
- **Petrochemical Subject-Matter Specialists**
- **Global experts from the Vinyl Industry**

These interactions will help participants understand **where the next wave of opportunities lies**, what technologies are shaping the future, and how organizations can grow rapidly in 2026 and beyond.

Introducing a Landmark First: B2B Speed Networking @ VINYL INDIA 2026

In 2026, Vinyl India introduces a **first-ever dedicated B2B Speed Networking Experience** at the venue. This initiative enables:

- Mutually accepted business meetings
- Focused, time-bound interactions
- Fast-track, high-value connect sessions

This elevates the **13th Vinyl India 2026** into a **complete business acceleration platform**, not just a Summit & Exhibition.

This initiative transforms Vinyl India 2026 into **not just a Summit & Exhibition—but a complete Business Acceleration Platform** for the entire industry.

1350⁺ Global Attendees | 600⁺ Orgs. | 80⁺ Global Speakers | 25⁺ Countries | 75⁺ Exhibitors

Highlights of 13th VINYL INDIA – 2026 (Exp.)

- **1,350+ Delegates** from **600+ Global Organizations**
- **80+ Global Experts & Industry Leaders** delivering keynote insights
- **40+ Power-Packed Presentations** on innovation, sustainability & smart manufacturing
- **75+ Exhibitors showcasing** cutting-edge solutions and new technologies
- **10+ Business Sessions & Panel Discussions** on demand-supply, regulatory updates, uPVC windows, OPVC challenges, PVC IND 4.0, and recycling trends
- **ElitePlus++ Meeting Scheduler** – plan your high-value B2B meetings in advance
- **Networking Cocktail & Gala Dinner**

At a time when Global trade patterns are shifting, the **13th Vinyl India Summit** will offer participants a clear perspective on PVC demand-supply movements, the evolving sustainability and regulatory landscape, and the technological advancements reshaping pipes, profiles, cables, films, and compounds. Bringing together **CEOs, policymakers, innovators, and decision-makers** from across the World, the Summit provides an unmatched platform for strategic learning and collaboration.

With the introduction of **B2B Speed Networking**, delegates will also be able to build high-value business connections quickly and effectively, making Vinyl India 2026 the most comprehensive platform to understand and shape the future of PVC.
